SUBJECT: **California Cash for College Workshop Registration Begins**

This Operations Memo from the California Student Aid Commission (Commission) announces the open registration for the California Cash for College (CCFC) workshop season through the [Workshop Management System \(WMS\)](#). Statewide CCFC workshops provide free hands-on assistance to students and their family members to complete the FAFSA, CADAA and Chafee Grant for Foster Youth applications. Due to Covid-19, CCFC workshops will transition to a virtual format this year.

Become an Approved CCFC Partner

To become an approved partner organization and host a CCFC workshop, you must register an account through [WMS](#) and schedule a CCFC workshop. This past season, CCFC partners hosted over 1,000 workshops and assisted over 30,000 students.

- Students will be able to search for workshops to attend as soon as they are scheduled in WMS. Therefore, do not wait to register your organization and request a workshop.

To learn more about CCFC workshops and to access training, resources and information on other Commission administered programs, please access the CCFC Workshop Management System at www.cash4college.csac.ca.gov or visit the Commission's website at www.csac.ca.gov.
